Sixty-six women contribute essays, poems, short stories, and excerpts from novels and memoirs on the subject of baseball.

As a leading historian of women, Linda K. Kerber has played an instrumental role in the radical rethinking of American history over the past two decades. The maturation and increasing complexity of studies in women's history are widely recognized, and in this remarkable collection of essays, Kerber's essential contribution to the field is made clear. In this volume is gathered some of Kerber's finest work. Ten essays address the role of women in early American history, and more broadly in intellectual and cultural history, and explore the rhetoric of historiography. In the chronological arrangement of the pieces, she starts by including women in the history of the Revolutionary era, then makes the transforming discovery that gender is her central subject, the key to understanding the social relation of the sexes and the cultural discourse of an age. From that fundamental insight follows Kerber's sophisticated contributions to the intellectual history of women. Prefaced with an eloquent and personal introduction, an account of the formative and feminist influences in the author's ongoing education, these writings illustrate the evolution of a vital field of inquiry and trace the intellectual development of one of its leading scholars.

From the author of the bestselling "The Dirty Girls Social Club" comes this work about a young chef who keeps falling for married men.

Barreca ponders life's questions and many others by giving women a hilarious antidote for the toxic "musts" they've been fed over the centuries, mulling over everything from the horror of chin hairs to why the "glass ceiling" is better described as a thick layer of men and telling women to stop believing the lies and conquer the world.

How do we understand glamour? Has it empowered women or turned them into objects? Once associated with modernity and the cutting edge, is it entirely bound up with nostalgia and tradition?

This unique and fascinating book tells the story of glamour. It explores the changing meanings of the word, its relationship to femininity and fashion, and its place in twentieth century social history. Using a rich variety of sources - from women's magazines and film to social surveys and life histories - Carol Dyhouse examines with wit and insight the history and meaning of costume, cosmetics, perfume and fur. Dyhouse disentangles some of the arguments surrounding femininity, appearance and power, directly addressing feminist concerns. The book explores historical contexts in which glamour served as an expression of desire in women and an assertion of entitlement to the pleasures of affluence, finally arguing that glamour can't simply be dismissed as oppressive, or as male fantasy, but can carry celebratory meanings for women.

A nearly flawless museum robbery, a missing million-dollar necklace, a stalled police investigation. For the victim of the crime, the situation calls for desperate measures. Penelope Fitzpatrick wasn't born to wealth. Her grandfather fed the family by selling his small stash of gemstones smuggled from tsarist Russia when the monarchy fell. Now, Pen has done well for herself as a successful novelist. But when the final jewel in her family legacy becomes the target of a cunning band of thieves, and the priceless piece is stolen, the police have many excuses why they can't solve the crime. Not one to accept defeat, Pen does the only thing she can do—gather a group of friends to help catch the crooks and steal back the necklace. It becomes apparent the thief is a master con man who is likely working with an international theft ring. The chase takes the Ladies far from home and into elegant European enclaves as they attempt to face him down. Close calls and near misses—it's never quite certain whether the women will be able to pull their own spectacular heist and see justice done. Fans of Janet Evanovich and Jana DeLeon will love this daring and spunky group of women friends in their first mystery caper. Praise for Connie Shelton's previous novels: “Readers can only hope the likable characters, fast-paced plots and local color will continue ...” –Albuquerque Journal “Down to earth and very readable.” –Library Journal “...a delightfully complex mystery.” –Romantic Times (4 out 5 five stars) “Connie Shelton gets better with every book she writes.” –The Midwest Book Review

From beloved New York Times bestselling author Jenny Colgan, a heartwarming and hilarious comedy about a pampered London socialite forced to live life among the common folk. Sophie Chesterton is London's "It Girl". She knows all the right people, goes to all the right parties, and wears all the right clothes...and her rich parents pay for everything. But deep down she suspects that her best "friends"—and her posh lifestyle--are nothing but shallow fakes. Then one evening Sophie's life takes a shocking, drastic turn, and her father decides it's high time for the party girl to make her own way in the world. Forced to earn a meager living as a lovely assistant to a "glamour" photographer, live in a shabby flat with four smelly boys, and eat baked beans from the can—Sophie is desperate to get her old life back, at any cost. But does a girl really need diamonds to be happy? Full of warmth and sparkle, Diamonds are a Girl's Best Friend is a surprisingly winning tale about luxury, life lessons, and the surprisingly low cost of true happiness.

The game of Baseball parallels the pursuit of the American dream like no other sport. The trials and tribulations of the game mirror the ups and downs of life. It creates lasting memories and life lessons that are applied on and off the diamond. Follow three generations of a baseball family, their successes and failures and their love for the game.

Bryna feels his eyes on her. Hot, seductive, enticing. He's at least ten years older than her seventeen years, and he knows exactly what he's doing to her with that look. Walking away would be the smart thing to do... But she can't. Not that first night when he takes her home and claims her body. Not when he shows up in her life again with expensive gifts to win her trust. Not even when she's falling for him, and everything else is falling apart... Find out how Bryna goes from golden girl to gold digger in this tantalizingly scandalous first book in the USA Today bestselling author K.A. Linde's All That Glitters series.

The espionage continues in New York City with the second book in this original heist series! Still smarting after their last run-in with the Rivals, the Jewels focus on their upcoming trip to the Big Apple. But the girls can't stop thinking about the cryptic letter they found, describing not one, but four precious gems that now need their protection! Even more confusing, the Jewels start receiving anonymous notes, one of which claims the Rivals will try to steal a diamond during their trip to New York City! But which one is it? Finding the right diamond in New York is like looking for a needle in a haystack. The Jewels get to work, using all their expertise to unravel the mystery of the secret letter and outsmart the Rivals, as a furious game of cat and mouse ensues across New York City. Will the Rivals rule again? Or can the Jewels conquer in quiz bowl AND stop a crime?

Nessa Joanne Mulholland, aka Marilyn Monroe's No. 1 teenage fan, is used to moving house. This time, however, she's relocating in movie-star style-crossing the Atlantic on board the Majestic, headed for Paris from New York City. And it really would be in movie-star style if it wasn't for the fact that she's bringing her cringe-fest professor dad along for the ride (Dad's specialization: human mating rituals--need Nessa say more?). Oh yeah, and sharing a cabin that's five decks below sea level and next to the engine room. Still, at least Holly Isles is on board. Yes, really, that Holly Isles--star of stage and screen. Suddenly, things are looking up. Looking a little Marilyn, in fact, because events are strangely mirroring Nessa's favorite movie of all time, Gentlemen Prefer Blondes. Watch! As Holly Isles, world-famous actress, confides in Nessa over mocktails. Listen! As Nessa coaches Holly in the amazing "Nessa's Lesson's in Love"-the ultimate man-catching rules to finding true and lasting lurv. See! Nessa fall for Holly's too-cute nephew, Marc. . . and Cover your eyes! As it all goes terribly, horribly, embarrassingly wrong. There's no doubting it. This is going to be one pitchy crossing.

In the ebullient spirit of Ocean's 8, The Heist, and Thelma & Louise, a sensational and entertaining memoir of the world's most notorious jewel thief—a woman who defied society's prejudices and norms to carve her own path, stealing from elite jewelers to live her dreams. Growing up during the Depression in the segregated coal town of Slab Fork, West Virginia, Doris Payne was told her dreams were unattainable for poor black girls like her. Surrounded by people who sought to limit her potential, Doris vowed to turn the tables after the owner of a jewelry store threw her out when a white customer arrived. Neither racism nor poverty would hold her back; she would get what she wanted and help her mother escape an abusive relationship. Using her southern charm, quick wit, and fascination with magic as her tools, Payne began shoplifting small pieces of jewelry from local stores. Over the course of six decades, her talents grew with each heist. Becoming an expert world-class jewel thief, she daringly pulled off numerous diamond robberies and her Jewish boyfriend fenced the stolen gems to Hollywood celebrities. Doris's criminal exploits went unsolved well into the 1970s—partly because the stores did not want to admit that they were duped by a black woman. Eventually realizing Doris was using him, her boyfriend turned her in. She was arrested after stealing a diamond ring in Monte Carlo that was valued at more than half a million dollars. But even prison couldn't contain this larger-than-life personality who cleverly used nuns as well as various ruses to help her break out. With her arrest in 2013 in San Diego, Doris's fame skyrocketed when media coverage of her astonishing escapades exploded. Today, at eighty-seven, Doris, as bold and vibrant as ever, lives in Atlanta, and is celebrated for her glamorous legacy. She sums up her adventurous career best: "It beat being a teacher or a maid." A rip-roaringly fun and exciting story as captivating and audacious as Catch Me if You Can and Can You Ever Forgive Me?—Diamond Doris is the portrait of a captivating anti-hero who refused to be defined by the prejudices and mores of a hypocritical society.

The prey becomes the predator. Love. That cursed four-letter word no longer belongs in Bryna's vocabulary. The only four-letter word she knows now is gold. ...and fuck. She's well acquainted with that one. And that's exactly what she plans to do. She's no longer the golden girl, and when she meets a businessman who promises everything she could ever want from the arrangement, she intends to get her money's worth. Follow the conclusion to Bryna's golddigging story in this scandalizing, duplicitous second book to the USA Today bestselling author K.A. Linde's All That Glitters series.

Nina Redmond is a librarian with a gift for finding the perfect book for her readers. But can she write her own happy-ever-after? In this valentine to readers, librarians, and book-lovers the world over, the New York Times-bestselling author of Little Beach Street Bakery returns with a funny, moving new novel for fans of Nina George's The Little Paris Bookshop. Nina is a literary matchmaker. Pairing a reader with that perfect book is her passion... and also her job. Or at least it was. Until yesterday, she was a librarian in the hectic city. But now the job she loved is no more. Determined to make a new life for herself, Nina moves to a sleepy village many miles away. There she buys a van and transforms it into a bookmobile — a mobile bookshop that she drives from neighborhood to neighborhood, changing one life after another with the power of storytelling. From helping her grumpy landlord deliver a lamb, to sharing picnics with a charming train conductor who serenades her with poetry, Nina discovers there's plenty of adventure, magic, and soul in a place that's beginning to feel like home... a place where she just might be able to write her own happy ending.

We have New York photographer Ed Feingersh to thank for some of the most attractive photos ever taken of Marilyn Monroe. For example, the icon image simply entitled "Chanel no. 5" : Marilyn standing in front of the mirror in her New York hotel suite, putting the final touches to her evening dress, a touch of perfume to her decollete. Feingersh took the pictures during the so-called "New York exile"

Marilyn went into early 1955 to sidestep the unacceptable constraints of her contract with Twentieth Century Fox and take drama classes under Lee Strasberg. For an entire week Feingersh covered a Marilyn

who had just turned 29 and was gradually growing up, as she went about her private and public life in New York. He follows her around the city, accompanies her to a costume fitting at the Actors Studio, is with her on an incognito subway ride and her legendary ride atop a painted pink elephant in Madison Square Garden. The reader discovers a wonderful Marilyn Monroe who can be seen in the spirit of optimism and radical changes that characterized 1955 to fluctuate between fresh self-confidence and extreme vulnerability, who can be vibrant and cheerful one minute and not long after pensive, dreamy, sad - you might say a Marilyn like you and me.

Molly Harper is back with the next wickedly funny, wildly enchanting Mystic Bayou novel! Sonja Fong isn't afraid of a little chaos. As director of the League's research center in Mystic Bayou, a tiny town in Louisiana that's home to supernatural creatures and humans alike, she's responsible for making sure things run smoothly. It's not an easy task when her daily memos include lines like "new equipment is needed because the old equipment was destroyed by a temper tantrum involving dragonfire." Her job puts her in the path of Dr. Will Carmody, a mysterious shifter who's returned to Mystic Bayou after a long absence only to find that he's now considered an outsider. To make matters worse, the rift - a tear in the fabric of the universe that is leaking supernatural energy into the bayou - is unraveling at an alarming rate. Now Sonja and Will must team up to fix the rift and save Mystic Bayou from certain disaster, all while their own romance is heating up. Can they have a future together while the whole world is falling apart? This book is based on the Audible Original audiobook.

In her electrifying first novel, Nicole Richie tells the sensational story of Chloe Parker, a rock royalty princess and a card-carrying member of Hollywood's inner circle. At the age of seven, Chloe was adopted by a music superstar and his wife, transforming her life from rags to riches. What followed was a wild childhood distinguished by parties with movie stars and rock idols, run-ins with the press and the police, and a subsequent stint in rehab. Suddenly Chloe shoots to instant fame as a spokesmodel for a national ad campaign. When her long-lost birth father appears out of nowhere and her best friend betrays her, she must struggle to keep it all together -- her sobriety, her friendships, and her integrity despite the betrayals of those around her. Ultimately, Chloe comes spectacularly into her own, achieving stardom in her own right and finding true love. Through the eyes of the captivating Chloe and the talented voice of Nicole Richie, we are given a no-holds-barred look at Hollywood's new elite, behind the velvet ropes, inside star-studded premieres and parties. Whether they're doing the "circuit" (begin with shopping at Barneys New York, Marni, and Fred Segal, then end with the grilled vegetable salad at the Ivy), or ending up on the front page of your favorite weekly magazine, Chloe Parker and her fellow A-listers never fail to dazzle, their larger-than-life dramas more riveting than any reality show.

The feminist icon and New York Times–bestselling author offers an intimate appraisal of the ultimate sex symbol—and the real woman behind the images. Few books have altered the perception of a celebrity as much as Marilyn. Gloria Steinem, the renowned feminist who inspired the film *The Glorias*, reveals that behind the familiar sex symbol lay a tortured spirit with powerful charisma, intelligence, and complexity. This national bestseller delves into a topic many other writers have ignored—that of Norma Jeane, the young girl who grew up with an unstable mother, constant shuffling between foster homes, and abuse. Steinem evocatively recreates that world, connecting it to the fragile adult persona of Marilyn Monroe. Her compelling text draws on a long, private interview Monroe gave to photographer George Barris, part of an intended joint project begun during Monroe's last summer. Steinem's Marilyn also includes Barris's extraordinary portraits of Monroe, taken just weeks before the star's death. “An even-handed introduction to the Monroe phenomenon.” —Library Journal

With the "right-hand diamond" all the rage right now, it is important for women to stay informed of the particulars when it comes to shopping for a diamond. Even if a woman is searching for an engagement ring with her fiance she should learn the basics to help him out, and to prevent her personal style from being compromised by uninformed choices. *A Girls' Guide to Buying Diamonds* provides all the key facts any woman needs to know before purchasing her ice. This style manual shows readers how to choose the perfect diamond, based on lifestyle, personality, even hand shape, all from a woman's perspective. Beautiful illustrations and photographs enhance discussions of bands, settings, cuts, and how to identify imperfections. Practical advice teaches readers to select a jeweler, arms them with questions to ask, as well as questions they should expect to hear. *A Girls' Guide to Buying Diamonds* is a must have for any girl-or boy-game for splurging on the ultimate glamorous accessory. Lorelei Lee, a blonde flapper who narrates *Gentlemen Prefer Blondes* in the form of a diary, complete with spelling and grammatical errors, is one of the most irresistible and memorable characters in American fiction. Acquitted of crimes by an all-male jury in her hometown of Little Rock, Arkansas, Lorelei moves to Hollywood and works in the movies where she meets Gus Eisman, a Chicago businessman, who installs her in a New York apartment. During a trip that Eisman sponsors Lorelei and her friend Dorothy spend their time Ritzing around the Continent on a gold-digging escapade that is full of intrigue, hilarity, surprise, and charm.
